MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 5 to Contract No.
BB-375 with IREK Corporation, Project CORONA

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. BB-375 covers the procurement of Exploitation Equipment for the Air Force in support of Project CORONA. Amendment No. 5 covers the procurement of additional spare parts, the rental of an IBM Key punch machine and the repair of a viewer previously delivered to SAC. All of this work is within the scope of the originally contemplated work and therefor a new Activity Program has not been initiated.

3. Amendment No. 5 obligates an additional \$5,451.00 chargeable in FY 61 to Air Force CORONA Funds. By concurrence to this memorandum the Comptroller signifies that funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, formerly 10(b) see 85-507 dtd 7/7/58 for each contract.

5. Concurrence in Amendment No. 5 to Contract No. BB-375 is recommended.
